

## Fairness and Equalities Impact Assessments F&EIAs (2015)

This form presents evidence that equalities, Welsh language and fairness have been considered when taking policy and service delivery decisions in Newport City Council.

Our Equalities focus is taken from the Equalities Act 2010: we consider the nine protected equalities characteristics- age, gender reassignment, disability, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex, sexual orientation.

Under the General Equality Duty we have a duty to:

- Eliminate unlawful discrimination, harassment and victimisation
- Advance equality of opportunity and
- Foster good relations

across the nine protected characteristics.

Under the Welsh Language Measure 2011 the Welsh language cannot be treated any less favourably than the English language

In Newport we focus on Fairness through the following themes: Health, Poverty, Skills and Work, Domestic Abuse and Tackling Area Based Deprivation.

**4. Who has the service consulted regarding the proposed change? When should new consultation take place?**

NB: It is essential that service users and other interested parties are involved in the planning process at the earliest opportunity. Consultation at an initial stage should be along broad themes. It is appropriate to ask what services are valued, how services could be changed and or what could be done differently. This feedback should then inform your business case proposals and the F&EIA. When specific proposals have been drawn up, they too will need to be consulted upon. All stakeholders and their views need to be represented.

The publication of a Statutory Notice for a period of 28 days, follows a 42 day period of formal statutory consultation with identified stakeholders including local and regional providers, pupils, parents, carers and staff in respect of education, Community councils, neighbouring Local Authorities, education professionals, Welsh Ministers.

**5. What evidence/ data has been used to complete this F&EIA (This will include local and national guidance)**

The publication of a Statutory Notice will be carried out in accordance with the School Standards and Organisation (Wales) Act 2013, and the Statutory Code, 2013.

## 8. How will the service / policy affect local areas of the city?

As an authority we aspire to delivering education for all Newport pupils within a single education journey from 3 – 11.
